Let's take the first steps together - Academic glossary

- Dean the person in charge of a particular Faculty, has his deputies, who bear the title of Vice-Deans
- Dean's hours time off from studying, which is announced by the Dean of a given Faculty and applies only to classes held at a given Faculty
- <u>Matriculation</u> the enrollment of someone as a student of a higher education institution, a ceremony of admitting new students to the first year of study
- Juvenalia Students' Days a time when students take over the city of Toruń; instead of classes, concerts and parties are held
- <u>Course coordinator</u> the lecturer responsible for a specific subject, provides students with the established grading system and the established learning outcomes before the beginning of the semester
- Group leader a student who represents a specific group of students before the year representative and academic staff
- <u>Student advisor</u> an employee appointed by the Dean, who represents the interests of students to the Faculty authorities and academic staff. The student advisor provides advice and assistance to students both in individual matters (solving organizational problems, with course credit or other problems, Erasmus+, selection of a supervisor and thesis topic) and concerning the functioning of the Faculty If you have a problem and are looking for help or support, the first steps should be taken towards your advisor whom you will meet at the organizational meeting.
- Regulations of studies you'll find the rights and obligations of a student https://www.umk.pl/studenci/regulamin/
- Rector the most important person at the University, who runs it, has his deputies, who bear the title of Vice-Rectors
- <u>Year representative</u> is the student equivalent of the class president, i.e. the student who represents the entire year before the academic staff (sets the dates of exams, credits, is the person "to contact" between lecturers and students)
- Lecturer/Instructor the equivalent of a teacher at the University. The Lecturer gives lectures and the Instructor gives practical classes

STUDENT ID CARD

- A student ID card entitles you to statutory discounts. Up-to-date information is available at the Student Government.
- However, before you get your ID card in your hands, log in to the IRK system (Internet Candidate Registration - https://irk.umk.pl/pl/) and make sure your photo is accepted.
- Don't forget the obligation to pay the fee for the ID card in the amount of PLN 22. If you do not pay the fee, the ID card will not be printed. If you complete the formalities, the ID card will be waiting for you at the Dean's Office from October 2.
- Medical examination required only for first-year veterinary medicine students. You will get a referral to a medical doctor when you pick up your ID card, and you can do it at any clinic. You give the certificate back to the Dean's Office.

Let's take the first steps together - CENTRAL AUTHENTICATION SERVICE

SETTING UP A UNIVERSITY ACCOUNT

- Every NCU student is required to have an account on the central account server administered by UCI (University IT Center).
- A student has one account regardless of the number of majors he or she pursues.
- To create an account, type in any browser:
 http://www.uci.umk.pl/skrypty/konto/study.php
- A system will be launched to support creating the accounts by students. Indicate the type of study: 1st and 2nd degree (full-time and part-time) and follow the instructions.
